

FRUIT FLY OUTBREAK DEFENDER™

**SPRAY FRUIT FLY OUTBREAK DEFENDER IN THE AIR
AND WATCH THEM FALL TO THEIR DEATH!**

Fruit Fly Outbreak Defender is an all-natural, bio-based formulation made from food grade ingredients that kills fruit flies and other bugs. As the formula spray contacts the fruit flies and other insects, it embeds itself inside them to shut down their organs, causing a quick death.

PACKAGE KIT INCLUDES:

**(4) 16 OZ. READY-TO-USE BOTTLED FORMULA
(1) WIDE MIST TRIGGER SPRAYER HEAD**

Use on floor baseboards, under counters, bathrooms, garbage cans, drains and bar area.

Fruit Fly Outbreak Defender also kills: Ants, Beetles, Cockroaches, Crickets, Fleas, Spiders and Termites.

Fruit Fly Outbreak Defender can be used in any commercial facility and is safe for all humans and the environment.
